Model Description

The Ferrari 599 GTO, unveiled in 2010, is a limited-edition, high-performance grand tourer that represents the pinnacle of the 599 GTB Fiorano series. "GTO" stands for "Gran Turismo Omologata," a revered badge in Ferrari's history, previously used only twice-for the iconic 250 GTO (1962) and the 288 GTO (1984). The 599 GTO is not a race-homologation car in the traditional sense, but rather a road-going version of the 599XX, Ferrari's experimental track-only variant. Powered by a 6...
