Model Description

The Ferrari 296 GTS, presented here with just 4,755 miles covered, offers a compelling combination of hybrid petrol efficiency and convertible driving enjoyment. Suited to a broad range of motorists, this example provides a sophisticated driving environment, enhanced by a dual colour leather interior in blu medio and internal sabbia accents. Notable features such as Apple CarPlay, a surround view system, and a neck warmer for the front seats ensure both comfort and connectivity for occupants....
