### Model Description

The LOTUS Emira First Edition Auto presents a compelling choice for those seeking a well-engineered coupe with broad appeal. With a recorded mileage of 13,260, it offers the reassurance of a relatively low-usage vehicle. The driving experience is enhanced by an automatic transmission, providing smooth gear changes and a refined feel behind the wheel. Practical touches, such as a boot capacity ranging from 151 to 359 litres, allow for versatility whether transporting luggage or everyday items....
