## Model Description

In the heart of Mayfair, Jack Barclay presents an Anthracite Continental GTC Speed, a high-spec, low-mileage and VAT qualifying example of Bentley's ultimate performance convertible. With its commanding V8 power, athletic styling and exquisitely crafted interior, this GTC Speed delivers exhilarating pace with effortless refinement. Finished in a striking dark hue and specified to an exceptional standard, it offers the perfect blend of open-air luxury, dynamic capability and unmistakable Bentley presence.
