Model Description

The Ferrari 296 Challenge, which makes its debut in the 2024 Ferrari Challenge, is the ninth model fielded by Ferrari in its single-make championship which is now on its 32nd season. In line with its predecessors, the 296 Challenge is derived from the 296 road- going Berlinetta, which thanks to its unique mix of performance, agility and ease of handling, is the perfect platform for a racing application....
