Model Description

A spectacular example of the Ferrari 296 Speciale, presented in the highly distinctive Verde Assenzio with a motorsport-inspired Alcantara Nera interior and an exceptional specification focused firmly on performance, lightweight construction and Ferrari's racing heritage. Developed as the ultimate evolution of the 296 platform, the 296 Speciale combines Ferrari's 3.0-litre twin-turbocharged V6 plug-in hybrid powertrain with an F1 DCT transmission to deliver an extraordinary 880 PS....
