Model Description

A beautifully specified Ferrari Purosangue, finished in the timeless Grigio Silverstone over a sophisticated Nero interior. Powered by Ferrari's naturally aspirated 6.5-litre V12, producing 725 PS and driving all four wheels through the F1 DCT transmission, this exceptional Purosangue combines Ferrari's legendary performance with genuine four-door, four-seat versatility. The exterior presents an elegant and understated interpretation of Ferrari's first four-door, four-seat model....
