Model Description

Finished in the striking Rosso Imola classic paintwork over a beautifully appointed Blu Sterling interior, this Ferrari 12Cilindri is presented in an exceptionally sophisticated and highly desirable specification. Powered by Ferrari's legendary naturally aspirated 6.5-litre V12 producing 830 ps, paired with the F1 DCT transmission, the 12Cilindri delivers the unmistakable character and performance expected of Ferrari's latest front-engined V12 grand tourer....
